As you prepare for your wedding or other special event, we wanted to provide a list of partners that we have either worked with in the past or who have numerous events scheduled at Bayou Haven. Although we're not official 'endorsing' these vendors, we offer them up as proven professionals in their respective areas.

This list is a work in progress and we will continue to add to it and modify it based on customer feedback and input. We hope you find this helpful!

Mandatory Vendors

SECURITY:

Guy Ellis

Phone: 318-481-2932

Email: gellis317@gmail.com

BAR TENDING:

Two (2) Bartenders are required if you have >100 guests and do NOT have an official caterer that can manage and serve liquor. You are not allowed to provide your own bartender unless previously approved by Bayou Haven Wedding and Events.

Please contact us to arrange bartending coverage if you are serving alcohol and do not have a licensed caterer managing your bar.
