

**IMPORTANT:** If you want to utilize the services of any vendor that is NOT listed somewhere on this list, please contact us in advance before signing a contract with them. There are a handful of vendors (Decorators, Caterers, & Coordinators, etc) that are no longer allowed to provide services at the venue due to very poor customer feedback.

As you prepare for your wedding or other special event, we wanted to provide a list of vendors that we support and worked with on an ongoing basis. Based on their consistent service and quality, as well as overall experience at the venue, you will see the list divided into 4 categories:

<b>Mandatory Vendors</b>	Security and Bartending services that you must book through Bayou Haven.
<b>Elite Partners</b>	These are our <b>TOP preferred vendors</b> and the only vendors we actively endorse for their quality, dependability, and consistency. To be in this category, a vendor must have conducted at least 20 events at Bayou Haven and / or partnered in other significant ways with the venue.
<b>Preferred Vendors</b>	The vendors listed in this category have been at Bayou Haven on many occasions and shown consistent, above-average, quality work over multiple events.
<b>Other Vendors</b>	These are other vendors in the Central Louisiana or surrounding areas that that have worked at or expressed interest in working at the venue.

**No vendor has paid or been paid, to be on this list.** Bayou Haven does not receive any payments for this service. Inclusion is based only on quality, quantity, and length of service in their respective areas of expertise. We will continue to add to it and modify this list based on customer feedback and input. We hope you find it helpful!

## Mandatory Vendors

### SECURITY:

**Shannon Eddlemon**

Phone: 318-715-4786

Email: [Shannoned1974@gmail.com](mailto:Shannoned1974@gmail.com)

### BARTENDING:

Two (2) Bartenders are required if you have more than 75 guests or plan to serve alcohol. All bartenders are sourced and managed through the venue unless your catering company has a liquor license and plans to staff your bar. For consistency and service quality, you are not allowed to provide your own bartenders. **Please contact us to arrange bartending coverage if you are serving alcohol and do not have a licensed caterer managing your bar.**

**Note:** Hiring a licensed alcohol vendor to run your bar is ONLY required if you want to have a **cash bar**. 95% of our couples provide their own alcohol and then use the in-house Bar Services to cover all set-up, bartending, and cleanup. This saves you a significant amount of money. **Contact us prior to booking an outside vendor for more details!**

**Bayou Haven Bar Services - Phone: 214-783-9268**

**When you use Bayou Haven Bar Services, you provide your own alcohol and the venue provides 2 bartenders, handles all setup, icing down and prep, and all cleanup for just \$40 an hour. You only pay for the hours your bar is open and serving. All setup and cleanup is included at no additional charge.**

### BAR & ALCOHOL: (Please note: An outside Vendor is not required)

**Note:** Hiring a licensed alcohol vendor to run your bar is ONLY required if you want to have a **cash bar** or if you do not want to provide your own alcohol. 95% of our couples provide their own alcohol and then use the in-house Bar Services to cover all set-up, bartending, and cleanup. *This saves you a significant amount of money.*

**Bayou Haven Bar Services** \$  
Phone: 214-783-9268

*When you use Bayou Haven Bar Services, you provide your own alcohol and the venue provides 2 bartenders, handles all setup, icing down and prep, and all cleanup for just \$40 an hour. You only pay for the hours your bar is open and serving. All setup and cleanup is included at no additional charge.*

**Champagne Walls:** Yes, we do allow Champagne Walls to be utilized at Bayou Haven.

However, over the past year, we have found that fewer and fewer brides are using a champagne wall. This is namely because the champagne is poured in advance and put on the wall before your guests arrive. In 10 - 15 minutes it becomes room temperature and warm champagne is not appetizing. For this reason, most glasses are put down and never drank. However, we do still allow them at the venue. But please keep in mind that if you have a Champagne Wall, the Rapides Parish Sales and Use Tax Department does not allow alcohol to be left unattended or offered as self-service. Therefore, **you must hire a bartending host to watch over your wall the entire time it is open and holds any champagne.** Please contact us in advance of contracting to have a wall and we'll help you with staffing requirements and costs. Thank you.
