

# Bayou Haven presents the *PATH* to picking the *PERECT* Wedding Date!

**Yes. I'm booking *WAYVVV* in advance & have my heart set on only *ONE* day! It's "*THE ONE*"!**

**Are you 100% set on *ONE* date?**

**I'm somewhat flexible.**

**Great! Couples tend to book venues 1 year+ out.**

**Question: If you fell in love with Bayou Haven, but your date is already booked... Would you consider another date?**

**MAYBE**

**No. I would have to consider another venue.**

**Yes, ONLY a Saturday.**

At Bayou Haven, Saturdays book quickly! Now, choose a month. We would encourage you to book a spot at least 14-16 months in advance to be safe!

**Do you know the day of the week you want?**

**I'M OPEN**

**Would your next priority be the budget?**

**Congratulations! You know what you want! As you continue to look, make sure you end up with a venue that is deserving of your special day!**

**Would you consider a weekday? (The most savings?)**

**It must be a weekend date.**

**Great! You're in good company! *Fridays & Sundays* are becoming our couples' most popular pick. You get the same Saturday "feel" but save some cash! A very savvy move!**

**Fantastic! A weekday wedding is the best "bang for your buck"! More and more couples choose a Monday – Thursday to save money (but get all the same perks)!**

**This is great! You might consider another day of the week. *FACT*: 19% of our couples chose a non-Saturday! Also, look at off-season to save money!**

**The options are endless for you! Narrow down the season (month) and what day of the week is important to you. When you tour, we will let you know the open dates at Bayou Haven to see which might work best for you. You can reserve during your tour.**
